THE FOUR PURPOSES OF ULTREYA:

1. Ultreya provides sharing, floating group reunions; a lay witness talk provided by the Cursillo host church, responses to the talk and shared Worship sometimes with Eucharist.
 2. Ultreya generates an atmosphere of enthusiasm where all can witness to their own experiences of God in worship and prayer, through encounters with others, and in evangelizing the world.
 3. Ultreya as part of living your fourth day, gives an opportunity of encouragement for growth in Christ to the participants in their everyday environment.
 4. Ultreya encourages evangelization in the world through our environments with the knowledge that the individual is a part of a witnessing community of faith, and friendships.
